

Action Item: To remove the verbiage “Telecourse” from the Workload Policy 5.21

Telecourses

A telecourse is one whose delivery is by audiotape, videotape, CD, CD-ROM, or DVD – typically without regular interaction between students and instructor or between a student and other students. A telecourse will have a section number with the letter “T” in the second place that indicates its status. A telecourse receives 0.05 workload units for each student enrolled, times the number of credits for the course.
