(after development of courses)?

### **Additional Sections for Class Sizes Over 30 Enrolled Students**

For online, hybrid, IAV, Live courses with over 30 students enrolled.

Additional sections to be paid equal to the number of credits given for the class, with the maximum enrollment cap of 30 or more, class caps set in increments of 30. ~~The determination of additional sections will be based on enrollment after the 50% refund drop date for each semester.~~

Classes where there are multiple sections of the same course during one semester with sections with less than 7 students should run as independent studies. (31 – 37) Each additional section with over 7 students enrolled will be paid at the per credit rate for a full section.
